

Habitat for Humanity ReStore of Durham and Orange Counties Announces New Partnership with IT Leader Technical Upgrade

Serving Durham and Orange counties

June 27, 2017

Habitat for Humanity ReStore of Durham and Orange Counties today announced that it has brought Research Triangle Park, NC-based IT experts Technical Upgrade on board to manage its information technology needs.

Chrissy Sailstad, General Manager of Habitat for Humanity ReStore of Durham and Orange Counties, is proud of the partnership with Technical Upgrade, remarking, "We are thrilled to be working with the team at Technical Upgrade, as we want to stay responsive to our customers and donors at all times to meet their needs. Technical Upgrade is helping us achieve our strategic goals to better serve our community and build more hope and homes."

"Technical Upgrade couldn't be happier about our new partnership with Habitat for Humanity ReStore of Durham and Orange Counties," commented Brian Osberg, President and CEO of Technical Upgrade. "We look forward to managing ReStore's technical infrastructure for years to come, and providing them with the value-added services and solutions to support their mission of creating sustainable homeownership opportunities for deserving families."

About Habitat for Humanity ReStore of Durham and Orange Counties

Habitat for Humanity ReStore of Durham and Orange Counties is a nonprofit home improvement store and donation center that sells new and gently used furniture, home accessories, building materials and appliances at a fraction of the retail price. Habitat for Humanity ReStore is proudly owned and operated by local Habitat for Humanity affiliates in Durham and Orange Counties, and proceeds are used to build homes, community, and hope locally and around the world.
